Itinerary:

Johannesburg to Nata

Departing Johannesburg, we cross the border into Botswana. This vast, thinly populated country is one of Africa's economic success stories. After changing money into the local currency, we continue to Nata, where we camp at the edge of the Makgadikgadi Pans and relax around the campfire. (D)

Nata to Victoria Falls

Rising early, we head through the Chobe District, where it is common to see migratory elephants along the roadside. We then cross into Zambia via the Kazangula ferry. Arriving in Livingstone, we visit one of the Seven Wonders of the World, the Victoria Falls. Afternoon to be spent on a sunset cruise on the mighty Zambezi River. (BLD)

Victoria Falls to Victoria Falls

Your time is spent at leisure, partaking in the many activities available in the adrenalin capital of Africa. Activities include canoeing, microlighting, gorge swinging, jet boating, elephant riding and more! The brave can do one of the highest bungy jumps in the world or, for the more adventurous, a rhino walk in

the National Park. You can also visit the markets, which are filled with great craft souvenirs. The evenings are spent camping on the banks of the mighty Zambezi River. (BD)

Victoria Falls to Kasane

After an early departure, we cross the river via the Kazungula ferry back to Botswana and set up camp in Kasane with the breathtaking view of the Chobe River. This afternoon you have the option to relax and enjoy some great game viewing on a river cruise on the Chobe River. (BD)

Kasane to Palapye

At sunrise we do an unforgettable 4x4 safari into the Chobe National Park, with the chance to see much wildlife including some of the large herds of migratory elephant that Botswana is famous for. Returning to camp, we have a late breakfast and then head south to Palapye, where we enjoy our final evening. (BD)

Palapye to Johannesburg

We take a relaxed drive to Johannesburg, crossing the border back into South Africa, arriving in the early evening. (B)
